

## Client Testimonials

*"As we were leaving on Sunday morning, Sara, you reminded me of the Hotel's promise, "Where Dreams become reality". In every respect you delivered that promise. You gave Anne-Marie and Paul the perfect Wedding Day, and a start to their married life that, quite simply, could not have been bettered".*

*"What can we say? From our arrival at the hotel following the Wedding Ceremony, through the meal and the evening reception we would find it impossible to criticise anything or say that anything fell short of outstanding. We have received many, many comments about the excellent food, service, setting and buffet all totally positive and full of praise. Most importantly, the two people to whom the day mattered most, Bob and Emma, were delighted and left having the wedding they wanted. Their only down comment was that they wished they could have spread it over two days!"*

*Jan & Sue*

*"The day ran smoothly and was very special. Both you and your staff made everyone feel welcome, comfortable and that nothing was too much trouble. All of our guests have complimented how beautiful Springfield House is, how pleasant all the staff are and most importantly what a fantastic venue it is for a Wedding which were our thoughts when we first visited Springfield House. All our dreams we had for our Wedding day came true on the day which was made with the assistance of you and your staff".*

*Mark & Diane*

*"We already knew that Springfield House is a superb venue, but the afternoon meal and the evening buffet were delicious - well prepared and well served. We particularly appreciated the outstanding professionalism and courtesy of the staff".*
